

1 Using the Search Bar

To search using the **Search** bar, enter any of the following below:

- Item Name
- Item Code
- Manufacturer Part Number
- Manufacturer Name
- Product Category
- Keyword

2 Search Purchase History

- To search **Within Items Purchased**, check the box
- To search the full Henry Schein medical catalog, uncheck the box

3 Using Refine Results

- To use **Refine Results**, type in a keyword, click **Refine** or use attributes provided
- To use **Filters**, Select filter attribute from bolded categories (ex: Brand) then select the value you would like to filter on (ex: HSI) Other filtering options include Size, Color, Manufacturer

The screenshot shows the Henry Schein Medical website search results for 'Bandages'. The search bar at the top contains the text 'Bandages'. Below the search bar, there is a checkbox labeled 'Within Items Purchased' which is checked. The search results are displayed in a table with columns for product images, names, prices, and 'Add To Cart' buttons. On the left side, there is a 'Refine Results' sidebar with various filter categories like Brand, Manufacturer, and Item, each with a list of options and checkboxes. A yellow box highlights this sidebar. The page also shows the user's account information and a shopping cart icon.

Search By Item code

4

- Search by **Item Code**
- Enter a quantity in **QTY** field
- Click the shopping cart icon to **Enter More**

Browse Supplies

5

- Go to **Menu > Supplies > Browse Supplies**
- On **Browse Supplies** page, browse by **Categories** or **Manufacturers**
- Filter search by criteria allowed
