

PROPEL SESSION

- Are you seeking out ways to improve your practice?
- Are you interested in making your practice more productive & more profitable?
- Do you need coaching for you and your team for performance refinement?
- Are you interested in helping more patients say YES to the treatment you are recommending?
- Interested in taking a small step with Jameson to see what working with us would really be like?

With the Jameson Propel Session, you will receive a 1, 2, or 3-day in-depth, in-office coaching session on any of our 25 management systems. Choose your top area(s) of need and let a Jameson advisor guide you through tried and true methods for improvement and success. You will receive the tools you need to experience a difference and have an opportunity to determine next steps for your practice's progress. It's that simple!

Your Jameson Propel Session will include:

- In-office coaching for you and your team with a Jameson Advisor.
- One pre-session planning call with your Jameson Advisor to:
 - Analyze and understand the specific needs of your practice.
 - Identify top opportunities for growth.
 - Learn about your practice culture.
- One post-session coaching call with your Jameson Advisor to recap on the session and next steps for success.
- An evaluation on needs and opportunities in your practice after one-on-one time with you and your team.
- Helpful Jameson resources relevant to your chosen topic(s) of focus.

**All advisor travel is included in the fee.*

TESTIMONIAL:

"Over the years of working with Jameson we have experienced positive changes in our office. Work no longer consumes so much of my personal time, energy and resources. We have been able to monitor the production goals of the practice and have witnessed the positive impact of working with our Jameson Advisors."

- DR. DEBORAH ATEN
