The screenshot shows the Henry Schein Medical website interface. At the top, the account information is displayed: Account #: 3153261, Test Acct One / 526 Congaree Rd, Greenville, SC 296073516. The main header shows 'MY ORDER: \$81.9' with 'CONTINUE SHOPPING' and 'CHECKOUT' buttons. The left sidebar contains navigation links such as 'Order from History', 'Browse Supplies', and 'My Order'. The main content area shows a list of items in the shopping cart. The first item is 'Coverlet Fabric Strips Bandage 1x3" Flesh 100/Bx' with item code 9110396. A blue 'SUGGESTED SAVINGS' link is highlighted with a green circle 'A'. Below this item, the GL Code field is visible. The second item is 'Coverlet Fabric Spots Bandage 1.25" Flesh 100/Bx' with item code 9115200. A green callout box titled 'Alternate Products' is overlaid on the right side of the page. It features a 'SUGGESTED SAVINGS!' banner stating 'Based on our comparison you would save \$0.09.' Below this, an alternate product is shown: 'Fabric Bandage 1x3" Tan 1200/Ca 2880253 | Cardinal Health - C-BDF13'. The alternate product is priced at \$34.85 (down from \$34.85-1). A green circle 'B' is placed over the quantity input field, and a green circle 'C' is placed over the 'Add' button. A green arrow points from the 'SUGGESTED SAVINGS' link in the main cart area to the alternate product details in the callout box. Text at the bottom of the callout box explains: 'The per unit price of the alternate is \$0.03 compared to \$0.12 of your current item. To see all opportunities based on your previous purchases choose Suggested Savings Opportunity Analysis from the reporting section of the website.'
